The screenshot displays the eQuipt web application interface. At the top, the 'eQuipt' logo is centered, and a 'Logout' button is in the top right corner. Below the logo is a navigation bar with tabs: 'EQUIPT', 'E-DOCUMENTS', 'ACCOUNT DETAILS', and 'TRANSACTION'. A secondary navigation bar below that includes 'DASHBOARD', 'INVOICES', 'TASKS', 'NOTICES', and 'SETTINGS'. The 'SETTINGS' tab is selected and highlighted with a red circle '2'. On the left side, there is a sidebar menu with options: 'ACCOUNT DETAILS', 'SECURITY DETAILS', 'HOUSEHOLD ACCOUNTS', and 'E-DELIVERY PREFERENCES'. The 'HOUSEHOLD ACCOUNTS' option is selected and highlighted with a red circle '3'. The main content area is titled 'HOUSEHOLD ACCOUNTS' and features a 'Link Another Account' button with a right-pointing arrow, highlighted with a red circle '4'. Below this, there are two sections: 'Household Accounts (1)' and 'Personal Accounts (4)'. The 'Household Accounts' section contains one entry for 'Jane Clark' with address '123 Main Street' and account number '5UP000005'. A trashcan icon is visible to the right of this entry, highlighted with a red circle '5'. The 'Personal Accounts' section lists four entries, including IRAs and a custodial account for 'John Clark'.

Setting Account Nicknames and Groups

If you have multiple accounts, or multiple accounts of the same type, (e.g. multiple UGMA accounts, or multiple trust accounts, or multiple retirement accounts, etc.) you may want to assign nicknames to accounts to make them easier to identify and/or create account groups to view information for the group (e.g. balances, holdings, activity, etc.). For example, if you have two IRA accounts and an individual account, and you want to view information just for the two IRAs, you can do so by creating an account group.

1. Click the **Account Details** tab and select any sub-tab *except* **Overview**, **Profile**, or **Performance**. In the below screenshot, we have clicked the **Balances** sub-tab as an example.
2. In the top left, click the account number menu (this is how you can switch between your various accounts)
3. Notice the options to **Manage Groups** and **Edit Nicknames**

The screenshot shows the osaic account details page. The 'Account Details' tab is selected, and the 'Balances' sub-tab is active. The account number '4UP029999' is displayed in a dropdown menu, which is open, showing options for 'All Accounts', 'Manage Groups', and 'Edit Nickname'. A red arrow points to the dropdown menu. The page displays various account balances and a table of today's balances.

View/Pay Financial Planning Invoice

If you receive financial planning or consulting services billed to you electronically, then you will have an **Invoices** tab available within the eQuipt tab. (NOTE: This tab will not display if it is not applicable). Use the **Invoices** tab and follow the onscreen prompts to easily pay via a bank account or credit/debit card.

Utilize the Accessible Theme

If you utilize your operating system's accessibility features for assistance with visual impairments or other disabilities, you may benefit from eQuipt's Accessible Theme. The Accessible Theme changes the look and navigation of the **E-Documents**, **Account Details**, and **Transact** tabs. It does not affect any of the screens within the **eQuipt** tab. To toggle to the Accessible theme:

1. Click either the **E-Documents**, **Account Details**, or **Transact** tabs
2. An option for **Switch to Accessible Theme** is available in the bottom right corner of the screen

At any time you can switch back to the Standard theme by navigating to the E-Documents> Settings page and toggling the selection in the **Available Themes** menu, then click **Switch Themes** to apply your changes.

The screenshot below shows the Account Details > Balances page in the Accessible theme (see the next page for the same screen using the Standard theme for comparison). Note that in the Accessible theme, the navigation options are moved to the left sidebar, rather than tabs along the top.
